Dean's Measure No. 21/2023

UKPedF/ 512053/2023

Prepared by: the Dean's Board
Responsible: the Dean

Principles of career growth of academics, researchers, and lecturers at the Faculty of Education of Charles University

Article 1 Introductory provisions

The principles of career growth of academics, researchers, and lecturers at the Faculty of Education of Charles University (hereinafter referred to as the "Principles of career growth") provide a faculty framework and internal system set up specifically for the fields in which study programmes are implemented and research and other creative activities are carried out. The principles of career growth also provide the employees with a clear overview of their career growth and future career possibilities.

Article 2 Principles of career growth

The principles of career growth specified in the annex to this measure and are primarily based on the Rector's Measure No.28/2021, the Rector's Measure No.56/2021 and the internal faculty methodology for the assessment of scientific outputs.

Section 3 Transitional provisions

This measure of the Dean or the Rector's measure OR 28/2021 apply mutatis mutandis to existing employees.

Article 4 Final provisions

This measure was discussed by the Academic Senate of the Faculty of Education of Charles University on 26 September 2023.
