---

The Student Research Conference of the Third Faculty of Medicine, Charles University will take place on **Tuesday, May 26, 2026**. Traditionally, it will consist of lecture and poster sections. An expert commission will decide on the division of contributions into sections.

## Abstract submission

The system for inserting abstracts is currently open on the SRC website ( [svk.lf3.cuni.cz](http://svk.lf3.cuni.cz) ). In order to be able to divide the contributions into individual sections, no contributions will be accepted after the deadline for the submission of the abstract, which is set for **April 16, 2026**.

**Whoever does not submit the abstract by this deadline, will not be allowed to participate in SRC 2026 and will therefore not receive credit for enrolled SVA!**
