
Student Research Conference 2024

The Student Research Conference of the Third Faculty of Medicine, Charles University will take place on **Tuesday, May 21, 2024**. Traditionally, it will consist of lecture and poster sections. An expert commission will decide on the division of contributions into sections.

Abstract submission

The system for inserting abstracts **is currently open** on the SRC website (svk.lf3.cuni.cz).

In order to be able to divide the contributions into individual sections, no contributions will be accepted after the deadline for the submission of the abstract, which is set for **March 31, 2024**.

Whoever does not submit the abstract by this deadline, will not be allowed to participate in SRC 2024 and will therefore not receive credit for enrolled SVA!

For more information, follow the website svk.lf3.cuni.cz , where you will find more detailed instructions for creating an abstract and current information about the conference.
