### About the webinar:

The webinar *AI: Balancing Innovation with Ethics, Resilience, and Sustainability* is organised by the University of Warsaw as part of the project **One Comprehensive Research-Intensive European University [1CORE]** funded by the Erasmus+ Programme (Work Package 4, Task 4.5 Disseminating the values of a green, digital and resilient 4EU+ Alliance).

*Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.*
