

## **Structured CV SMETÁČKOVÁ Irena**

### **Research Interests**

- Professional Development and Stress
- Teaching and Learning Strategies
- Gender Identity Development
- Diversity in Education

### **Work Career**

- 2019–now: Head of Department of Psychology
- 2015–now: psychologist in the peer on-line counseling “Sbarvouven” (focused on LGBT Coming out issues)
- 2004–now: Associate professor (till 2015 Assistant Professor), Department of Psychology, Faculty of Education, Charles University, Prague
- 2002–2005: Researcher, Institute of School Assessment (CERMAT), Prague
- 2005–2006: Institute of Sociology of the Czech Academy of Sciences
- 2000–2003: Psychologist (2/3 load), Center for Psychological Counseling in Education, Prague 10
- 1997–2000: Teacher (1/2 load), Vocational School, Prague 10

### **Selected grant projects (2013-2023)**

- 2003- 2025: Gender Empowerment through Politics in Classroom (G-EPIC); co-investigator, Horizon (101095000)
- 2020-2022: Teacher’s Perspective on School Failure; investigator, OPVVV (CZ.02.3.68/0.0/0.0/19\_076/0016390)
- 2023-2025: Individual, Social and Institutional Factors in Inclusion of LGBT+ Students (School4All), investigator, GA ČR (23-07934S)
- 2018-2021: Teacher Supervision as Prevention of Teacher Burnout, investigator, TAČR (TL01000399)
- 2016–2018: Teacher Burnout Syndrome”, investigator, GA ČR (16-21302S)
- 2014–2017: Legitimization of Stereotypes in Czech society, co-investigator, GAČR (14-22000S)
- 2016-2018: Mathematics word problems as a way to application and understanding of mathematical concepts, co-investigator, GA ČR (16-6134S)
- 2011–2014: Critical areas of primary school mathematics - analysis of teachers didactic practices funded, co-investigagor, GA ČR (14-22000S)

### **Selected publications (2013-2023)**

#### **Academic Honours and Awards**

- 2021 – ČAPV Award for the Best Publication of the Year in Educational Sciences

#### **Research stays**

- 2022-2024: Annual 1-week stays at University of St. Andrews, Scotland
- 2013-2016: Annual 1-week stays at University of Turin, Italy
- 2021: Hamburg University, Germany (1 month)
- 2015: CITO, Netherlands (1 month)

## Structured CV LUKAVSKÝ Jiří

### Research Interests

- Visual perception
- Attention
- Eye movements
- Mathematical models

### Employment History

- 2003 - present: researcher Institute of Psychology, Czech Academy of Sciences
- 2016 - present: lecturer Department of Psychology, Faculty of Arts

### Selected grant projects (2013-2023)

- 2019 - 2021: Tracking moving objects – identity, uncertainty, and visually rich environments, investigator, GA ČR (19-07690S)  
2016 - 2018: Visual scene memory: the effect of correlation of visual input in space and time on memory fidelity, investigator, GA ČR (16-07983S)  
2013 - 2015: Personality and spontaneous brain activity during rest and movie watching: relation and structural determinants, co-investigator, GA ČR (13-23940S)

### Selected publications (2013-2023)

- DĚCHTĚRENKO, F., & LUKAVSKÝ, J. (2022). False memories when viewing overlapping scenes. *PeerJ*, 10, e13187. <https://doi.org/10.7717/peerj.13187>

### Academic Honours and Awards (2013-2023)

- 2012 - Otto Wichterle Award

### Research stays (2013-2023)

- Feb 2010 – June 2010 : Institute of Behavioural Sciences, University of Helsinki, Finland

## **Structured CV PFAUS, James G.**

### **Research Interests**

- Neurochemistry and neuroanatomy of sexual arousal, desire, orgasm, and inhibition
- Conditioning and sexual behaviour
- Sexual dysfunctions
- Paraphilic

### **Employment History**

- 2022 – present: Director of Research Division and senior researcher, Center for Sexual Health and Interventions, Národní ústav duševního zdraví (NUDZ), Klecany.
- 2021 – present: Assistant professor and researcher, Department of Psychology and Life Sciences, FHS UK, Praha.
- 2019 – 2021: Visiting professor and researcher, Instituto de Investigaciones Cerebrales, Universidad Veracruzana, Xalapa, VER México.
- 1992 – 2018: Professor of Neuroscience and Psychology, Center for Studies in Behavioral Neurobiology, Department of Psychology, Concordia University, Montréal, QC, Canada.

### **Selected grant projects (2013-2023)**

#### *Cognitive models of sexual reward and arousal.*

Nositel: Université du Québec en Outaouais; Poskytovatel: Canadian Institutes of Health Research; Project Grant 162264. 01.04.2019 – 31.03.2025 (co- investigator). \$688,500 CAD.

#### *Dose-response effects of pimavanserin on long-term fluoxetine.*

Nositel: Concordia University; Poskytovatel: Acadia Pharmaceuticals; ID projektu: Acadia Pharmaceutical Research Contract. 01.06.2017 – 31.05.2018 (investigator). \$75,000 USD

#### *Neural and behavioral consequences of acute bremelanotide (BMT).*

Nositel: Concordia University; Poskytovatel: Palatin Technologies; ID projektu: Palatin Technologies Research Contract. 01.06.2016 – 31.03.2019 (investigator). \$68,418.77 USD

#### *Neuroanatomy and neurochemistry of sexual behaviour (renewal).*

Nositel: Concordia University; Poskytovatel: Natural Sciences and Engineering Research Council of Canada; ID projektu: OGP-138878. 01.04.2012 – 31.03.2019 (investigator). \$675,000 CAD

#### *Neural and behavioral mechanisms of conditioned sexual excitation and inhibition.*

Nositel: Concordia University; Poskytovatel: Canadian Institutes of Health Research; ID projektu: MOP-111254. 01.04.2011 – 31.03.2018 (investigator). \$668,765 CAD.

#### **Academic Honours and Awards (2013-2023)**

- Josef Hynie Prize, Division of Sexology, Czech Medical Association, 2023
- First Annual John Money Lectureship, World Association for Sexual Health (WAS), 2017
- President, International Academy of Sex Research, 2016-2017
- Distinguished Scientific Achievement Award, Society for the Scientific Study of Sexuality, 2014

- Concordia Media Outreach Award -- Research Communicator (International), 2013
- Concordia University Research Fellow, 2013-2018
- Fellow, International Society for the Study of Women's Sexual Health, 2011 – present
- 

**Research stays (2013-2023)**

- 2013 (01.05.2013- 31.06.2013): Visiting Professor, Instituto de Neuroetología, Universidad Veracruzana, Xalapa, VER, Mexico.

## **Structured CV HAVLÍČEK Jan**

### **Research Interests**

- Social perception
- Chemical communication
- Romantic relationships
- Evolutionary psychology

### **Work Career**

- 2001 – 2004: Junior Researcher, Research Centre for Development of Personality and Ethnicity, Faculty of Humanities, Charles University
- 2005 – 2012: Lecturer at Faculty of Humanities, Charles University
- 2013 – 2024: Associate Professor, Faculty of Science, Charles University
- 2024 – present: Full Professor, Faculty of Science, Charles University
- 2015 – present: Senior Researcher, National Institute of Mental Health, Klecany

### **Selected grant projects (2013-2023)**

*Nature and Culture: Historical, cultural, and biological concepts of human nature.*

Holder: Charles University, Faculty of Science; Funding body: Charles University; Project ID: UNCE 204056, Duration of the project: 2018-2023 (Principal investigator)

*Effect of parental characteristics on mate choice.*

Holder: Charles University, Faculty of Science; Funding body: Czech Science Foundation; Project ID: GAČR 18-15168S; Duration of the project: 2018-2020 (Principal investigator)

*Perception of potential opponents and allies in physical encounters.*

Holder: Charles University, Faculty of Science; Funding body: Czech Science Foundation; Project ID: GAČR 16-03899S; Duration of the project: 2016-2018 (Principal investigator)

*The role of trigeminal perception in formation of olfactory preferences.*

Holder: Charles University, Faculty of Science; Funding body: Czech Science Foundation; Project ID: GAČR 14-02290S; Duration of the project: 2014-2016 (Principal investigator)

*Nature & Culture: Interaction of cultural and biological evolution in interdisciplinary perspective.*

University Research Centre UNCE 204004. Holder: Charles University, Faculty of Science; Funding body: Charles University; Project ID: UNCE 204004, Duration of the project: 2012-2017 (Principal investigator)

#### **Academic Honours and Awards (2013-2023)**

- 2021 – present: Vice-president of the International Society for Human Ethology
- 2013 – 2016: Outreach Officer of the European Human Behaviour and Evolution Association
- 2006 – 2009 President of the Czech and Slovak Ethological Society

#### **Research stays (2013-2023)**

- 3/2018 – 3/2018: Department of Psychology, University of Stirling
- 8/2016 – 9/2016, Fieldwork on olfactory awareness in children, Wanang, Papua New Guinea
- 11/2015 – 12 2015, Department of Psychology, University of Stirling
- 11/2013 – 11/2013, Fieldwork on male intrasexual competition, Babanki, Cameroon

## **Structured CV CSAJBÓK Zsófia**

### **Research Interests**

- Human mate choice
- Mate preferences and mate value
- Depression in romantic relationships
- Emotional contagion

### **Employment History**

- 01.2022 – present: assistant professor and postdoctoral researcher at the Faculty of Humanities, Charles University, Prague
- 11.2022 – now: researcher and adjunct teacher at the Faculty of Arts, Charles University, Prague
- 01.2021 – 12.2021: postdoctoral researcher at the Faculty of Science, Charles University, Prague
- 09.2019-12.2019: guest lecturer at the Institute of Psychology, Eötvös Loránd University
- 01.2019 – 12.2021: researcher at the Third, then Second Faculty of Medicine, Charles University, Prague
- 09.2016 – 06.2024: researcher and statistician at the National Institute of Mental Health, Klecany

### **Selected grant projects (2013-2023)**

#### *Exploring the dynamics of depressive symptoms in intimate relationships,*

Host: Faculty of Humanities, Charles University; Funding body: Czech Science Foundation; Project ID: 23-05379S Duration of the project: 01.01.2023-31.12.2025 (principal investigator)

#### *Active parental influence on their offspring's romantic relationships*

Host: Faculty of Arts and Faculty of Science, Charles University; Funding body: Czech Science Foundation; Project ID: 22-27522S Duration of the project: 01.01.2022-31.12.2024 (team member)

#### *Mate preferences and their relation to actual mate choice: Comparison between the Additive and the Threshold Models*

Host: Faculty of Science, Charles University; Funding body: Charles University Grant Agency; Project ID: 1118119 Duration of the project: 01.01.2019-31.12.2021 (principal investigator)

#### *Prevention of mental illness: Role of early-life risk factors*

Host: Third, then Second Faculty of Medicine, Charles University; Funding body: Primus Research Programme of Charles University; Project ID: PRIMUS/19/MED/08 Duration of the project: 01.01.2019-31.12.2021 (team member)

- 10/2015 – 12/2015: Center for Cognition, Learning and Memory at the University of Bern, Switzerland

## **Structured CV TŘEBICKÁ FIALOVÁ Jitka**

### **Research Interests**

- Human olfaction
- Social perception
- Multimodal perception
- Intrasexual competition

### **Work Career**

- Since 01/2019 – present: Main investigator on project of the Czech Science Foundation Grant Agency 21-29772S: Visual and olfactory cues to intrasexual competition: psychological and physiological correlates, Department of Zoology, Faculty of Science, Charles University in Prague, Czech Republic
- 01/2019 – 12/2022: Researcher on project of the Czech Science Foundation Grant Agency 19-11822S: Psychology of male intra-sexual competition and associated neural correlates, National Institute of Mental Health, Klecany, Czech Republic
- 01/2016 – 12/2018: Researcher on project of the Czech Science Foundation Grant Agency 16-03899S: Perception of potential opponents and allies in physical encounters, Department of Zoology, Faculty of Science, Charles University in Prague, Czech Republic
- 01/2015 – 06/2022: Researcher, National Institute of Mental Health, Klecany, Czech Republic
- 01/2014 – 12/2016: Researcher on project of the Czech Science Foundation Grant Agency 14-02290S: The role of trigeminal perception in formation of olfactory preferences, Department of Zoology, Faculty of Science, Charles University in Prague, Czech Republic
- 2011 - 2012: Researcher on project of the Czech Science Foundation Grant Agency P407/10/1303: The development of olfactory abilities and preferences during childhood and puberty, Department of Anthropology, Faculty of humanities, Charles university in Prague, Czech Republic

### **Selected grant projects (2013-2023)**

*Visual and olfactory cues to intrasexual competition: psychological and physiological correlates,*  
Charles University, Faculty of Science; Czech Science Foundation; GAČR 21-29772S; 01. 01. 2021 – 31. 06. 2025 (main investigator).

*The effect of body odour related to competitive context on the social perception and cognition,*  
Charles University, Faculty of Science; Charles University Grant Agency; GAUK 918214; 01. 01. 2014 – 31. 12. 2016 (main investigator).

*The effect of body odour related to competitive context on the social perception and cognition,*  
Charles University, Faculty of Science; Owen F. Aldis Scholarship; 2013 (main investigator).

*Attractiveness cues to physical fitness across perceptual modalities,*  
Charles University, Faculty of Physical Education and Sport; Czech Science Foundation; GAČR 23-05408S; 01. 01. 2023 – 31. 12. 2025 (co-investigator).

*Perception of facial cues in the context of mate choice and assessment of potential rivals: Longitudinal eye-tracking study,*  
Charles University, Faculty of Science; Charles University Grant Agency; GAUK 1374319; 01. 01. 2019 – 31. 12. 2021 (garant).

*Psychology of male intra-sexual competition and associated neural correlates,*  
Charles University, National Institute of Mental Health; Czech Science Foundation; GAČR 19-11822S; 01. 01. 2019 – 31. 12. 2021 (co-investigator).

*Relationship between reactivity of immune system and human body odour and facial attractiveness,*  
Charles University, Faculty of Science; Charles University Grant Agency; GAUK 1398218; 01. 01. 2018 – 31. 12. 2020 (co-investigator).

*Perception of potential opponents and allies in physical encounters,*  
Charles University, National Institute of Mental Health; Czech Science Foundation; GAČR 16-03899S; 01. 01. 2016 – 31. 12. 2018 (co-investigator).

*The role of trigeminal perception in formation of olfactory preferences,*  
Charles University, Faculty of Science; Czech Science Foundation; GAČR 14-02290S; 01. 01. 2014 – 31. 06.  
2016 (co-investigator).
