STUDY IN SWEDEN
Not us
Big country, few people
Swedish – official language
English – unofficial language

Photo: Cecilia Larsson Lantz
2nd highest number of the world’s top ranked universities

#2 ranked Higher Education system

#2 in Innovation Union Scoreboard

#3 on the Global Innovation Index
Creativity

- Never underestimate the power of a content or idea spread.
- You can always reinvent yourself.
- Different purposes and personas for different channels.
- You can do anything.
- You can create a lot with a little.
- We make the future.
- We need to look at future trends.
- A profession really is what you want it to be.
- Connect with people by taking dedication.
- You can always reinvent yourself.
- Do something and something will be done!
- You need to know the content, message, logic, purpose, style.
- Think about values of the social group you're trying to reach.
- One's gotta be flexible and open minded to keep up and survive.
- Zoom in & say yes & get more out of life.

"We as digital entrepreneurs also have a digital responsibility.
"We are always evolving, be adaptable!"

"Social networking is what you make of it!"
