
Jarní swap

Spring swap

Do you have clothes and other small items left at home after spring cleaning that you don't need anymore, but could still make someone else happy? Bring them to the spring swap!

How does a SWAP work

Bring what you don't need anymore (clothes, accessories, jewellery, books and other small items) or just take anything you can use and like. You can bring donations to the podatelna until Monday, 8th of April.

Just be sure to bring items that are in great condition and clean, just the kind of thing you would lend to your best friend.
