
Supporting Gender Equality and Diversity in Education

Supporting Gender Equality and Diversity in Education

Join us to learn about this emerging research area. Review models of gender identity development, reflect over your own life and training experiences, and identify recommended ways to support individuals, including educators and scholars, to make schools more equitable for all genders.

Monday, 3. 6. 2024, workshop time: 13:00–15:00, UK PedF Magdalény Rettigové 4 in Room R125.

Confirm attendance in advance, if possible: jack.simons@pedf.cuni.cz. Handouts and other resources will be provided.
