
What does climate change mean for the purpose of education?

What does climate change mean for the purpose of education?

Katedra občanské výchovy a filozofie PedF UK vás zve na přednášku **What does climate change mean for the purpose of education?** Přednášku v anglickém jazyce povede **Dr Peter Sutoris** (Sustainability Research Institute, University of Leeds, United Kingdom). Přijít si ji poslechnout můžete **3. 3. 2025 od 17 hodin do učebny R208**. Anotace: At a time of accelerating climate change, many are turning towards education as part of the solution. But isn't education partly responsible for environmental decay? And how might it help humanity navigate this moment?
