Representation Ball of PedF and FF UK

We cordially invite you to the Representation Ball of the Faculty of Education and the Faculty of Arts of Charles University! Our collective journey to infinity begins on March 20, 2025 at 7 PM in Forum Karlín.

This year, a starry evening awaits you. The theme of the ball is "To Infinity and Beyond". So we hope you will shine on the dance floor. To ensure you will not get bored on your journey through space, we have arranged a musical accompaniment by the Big'O'Band and dance performances of acrobatic rock 'n' roll and Latin American dance. Do not worry, you will not leave only with stardust. You can also get raffle prizes, a photo from the photo booth or unforgettable moments that would otherwise be lost in the galaxy of the mundane. This event is not only for all students, alumni and faculty, but also for other supporters of both faculties.

Standing and seated tickets are available on this [webiste](#) . If you would like to get a free ticket, you can help us with the preparations for a while. It is up to you how long you will decide to help us, so do not worry about not enjoying the ball. You can sign up via the [form](#) . You are also eligible to get the free ticket if you are in receipt of any type of social grant. If this is the case, please send an email 18201685@cuni.cz and attach a copy of your scholarship document for the current academic year.
