Spice up your Botany with Gingers

Department of Biology and Environmental Studies invites you to the lecture held by Dr. Axel Dalberg Poulsen. It will take place on **March, 31 from 10.45 AM to 12.15 PM in the room R016**.

Dr. Axel Dalberg Poulsen is a botanist specializing on tropical forest plants and the taxonomic expert on gingers in a wide sense at the Royal Botanic Garden Edinburgh. He will introduce us to his fieldwork-based research, teaching and public engagement of gingers and emphasise how education involving useful plants becomes more exciting.
