## SOPHIA Network Meeting 2026 (Philosophy for children)

SOPHIA Network Meeting 2026 will be held in cooperation with the non-profit organization People in Need, the Department of Pre-primary and Primary Education at the Faculty of Education, Charles University, and experts in the Philosophy for Children (P4C) method. Participants can look forward to a two-day programme featuring a variety of activities, sharing of good practice, workshops, and discussions focused on developing philosophical dialogue in education.

The meeting is intended for teachers, academics, student teachers, and anyone interested in innovative approaches to education who wish to foster critical thinking, open dialogue, and thoughtful discussion in the classroom.
