
Erasmus Application

Students of the Charles University can use this application to submit and further process applications for study abroad within the [Erasmus+](#) programme.

Access

Before entering the application, potential users must know their personal number (the eight-digit number on [student identity card](#) under the photograph) and their **password**, which is stored in the [CAS](#). For more information about **retrieving or changing a password**, see <https://cas.cuni.cz>.

Any student who meets **Qualification Requirements of the Erasmus Programme** can apply through Charles University internet application <https://is.cuni.cz/webapps>.

Contact and support

Application support can be contacted through the [Helpdesk \(Poradna\)](#) application by selecting a subject from the 'Erasmus' section. Questions are answered primarily by employees of the European Office of the Department of International Relations of the Rectorate of the Charles University, while technical questions are redirected to staff of the Computer Science Centre.
